**DETAILED ACTION**

**REJECTIONS WITHDRAWN**

1. The 112 rejections set forth in the non-final rejection of 1/30/08, page 2, paragraphs 1-3 have been withdrawn.

**REJECTIONS REPEATED**

2. All of the 103 rejections set forth in the non-final rejection of 1/30/08, pages 2-4, paragraphs 4-5. Applicant has added the limitation "the substance having a moisture content not exceeding 2% of its dry weight". However, the limitation is disclosed by Holland in that the tetrazines can not contain any water at all and thus hydrophobic polymer substrates are used (column 1, line 61 through column 2, line 35). Furthermore, it would have been obvious to have provided wherein the substance having a moisture content not exceeding 2% of its dry weight in order to prevent degradation of the tetrazine.

**NEW REJECTIONS**

3. There are no new rejection.

**ANSWERS TO APPLICANT'S ARGUMENTS**

4. Applicant's arguments of 5/30/08 have been carefully considered but are deemed unpersuasive.

Applicant has argued that applicant's invention absorbs ethylene gas as opposed to binding ethylene via chemical reaction. However, applicant's claims recite no such distinction. Applicant's claims merely recite that the substance is capable of retaining a gas.

Applicant also argues that the substances disclosed in Clevenger and Holland are not food grade. However, applicant's claims do not recite that the substance is food grade. Applicant does not recite what the substance is in the claims.

### ***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
